Professional experience

Medicine degree in 1989 at Medicine School of Santander (Universidad De Cantabria, Spain).

Specialist in Cardiology since 1997, The Speciality in Cardiology was done in Hospital de Cruces (Baracaldo. Bilbao. Spain).

From 1997 to 1998 I was working in Hospital de Cruces as a cardiologist in the Coronary Unit.

From 1998 up to today I have been working in Hospital de Galdakao (Spain) as a Cardiologist, I performed my fellowship in interventional Cardiology from 1998 to 2000 in Policlínica Guipúzcoa (San Sebastian, Spain) which is a very big volume center of Excellence.

I created the Interventional Cardiology Unit of Hospital Galdakao in mid 2001. Since then, I am the head of the Department.

From 20013-2016, I am member of the Spanish working group of Interventional Cardiology of the Spanish Society of Cardiology

From 2014-2020 I was the Country Champion of Stent For Life in Spain, working in the development of Primary PCI networks all along the Country.

From 2015 up to now I am the CEO of Fundación EPIC ([https:// fundacionepic.org](https://fundacionepic.org)), a Foundation for developing education, training and investigation in the cardiovascular field.

Director of Endovascular intervention department of Hospital Quirón of Bilbao since June 2010 (Percutaneous Cardiac intervention, Percutaneous Peripheral intervention and Cardiac Stimulation), doing this work at the same time as being the Director of the Interventional Cardiology Department of Hospital Galdakao where we perform over 1000 of coronary and structural procedures

I am Proctor CTO PCI for different companies: Asahi since 2012 and International Proctor for Boston Scientific since 2014

I usually perform proctoring and mentoring activities for CTO and Complex PCI in Spain, Portugal, Northern Europe, Slovenia, Mexico, Colombia, Costa Rica, Chile, Argentina, etc. Adviser of the Health Ministry os Spanish government in cardiovascular diseases, since 2015.

Signed, March 2nd, 2022

Dr. José Ramón Rumoroso

A handwritten signature in blue ink, appearing to read 'Rumoroso', with a stylized flourish at the end.
